The Learner Achievement Award
Call for Nominations

The **Learner Achievement Award** recognizes adult learners who demonstrate outstanding commitment and dedication to learning.

In 2008, **Jordan Clouthier** from the Acelinks Program, John Howard Society, received the **Learner Achievement Award**. Jordan and his parents attended the dinner after the golf tournament where he was presented the award and enjoyed a warm reception from the audience.

This yearôs recipient and a guest of his/her choice will be invited to attend the tournament dinner and the presentation on Thursday, May 28 at Loch March Golf & Country Club. The Coalition will ensure that the learner and his/her guest have transportation to and from the golf club and will cover the cost of both dinners.

In order to be nominated a learner must:

- X be 19 years of age or older
- X have attended a Literacy and Basic Skills or Academic Upgrading program, in Ottawa, for at least six months within the last year
- X have an excellent attendance record

A learner may be nominated by an instructor, tutor or other staff in the program he/she is attending. A committee of the Coalitionôs Board of Directors will review nominations and select the recipient of the award.
